United States Magistrate Judge
Eastern District of New York

Re: United States v. Isaiah Dukes
Magistrate Docket No. 22-MJ-1059

Dear Judge Reyes:

The government respectfully submits this letter to correct the record in connection with the detention letter (the "Letter") filed prior to the above-referenced defendant's initial appearance on September 30, 2022. See ECF No. 2. Following the defendant's initial appearance, the Court entered a permanent order of detention pending trial, finding a serious risk that the defendant will not appear and presents a danger to the safety of another person or the community. See ECF No. 5 ("Order of Detention"). This finding was based on the government's Letter and evidence proffered at the hearing. Id. The defense did not propose a bail package.

In the Letter, the government stated that "music videos posted to YouTube show the defendant in possession of what appear to be different firearms" and provided still images from these videos. ECF No. 2, at 4. The government has subsequently learned that the defendant is not the person depicted in these videos. The government maintains that the

defendant presents a risk of flight and a danger to the community, yet withdraws that portion of the Letter which relied on these videos.

Respectfully submitted,

BREON PEACE
United States Attorney
